DEDICATION

MR. HOWARD MORRISON

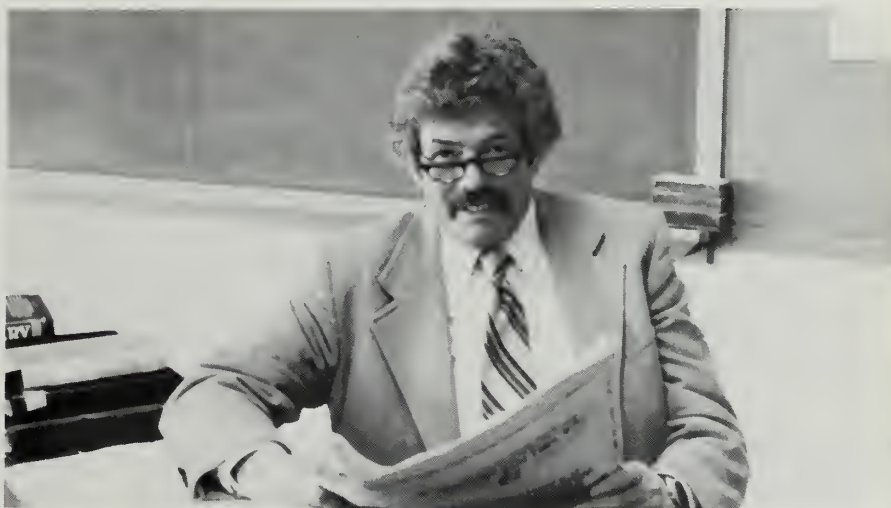

TEACHER — the dictionary simply states: one who imparts knowledge or skill.

We, The Class of 1982, dedicate our yearbook to a person whom we have come to know and respect as a "teacher", as defined by the dictionary, but also as a coach, as an advisor, and most importantly as our dear and close friend, MR. HOWARD MORRISON.

Mr. Morrison has shown confidence in us as a class, has coached us to a Superbowl Championship, has helped us to develop as individuals and as students, and in many ways is responsible for making our senior year our best year.

It is our assertion that Mr. Morrison is irreplaceable at CHS. He has been a great part of our lives and will always be remembered as a person who has contributed to the success and happiness of our days at CHS.

Thank you, Mr. Morrison, and may God bless you always!

SPECIAL THANKS

This year the staff of Echo 1982 gives a special tribute to a person who, though not an Echo Staff member has made a major contribution to the production of Echo 1982. MRS. PEG BERTELETTI.

Her help in obtaining, recording, and sharing student information, pictures, phone messages, sports information, and innumerable other details has made it possible to present you, The Class of 1982, with a yearbook that more accurately and completely records your senior year at CHS.

Mrs. Berteletti has for many years contributed to the lives of all the students of Conton High School; as a friend she cheerfully and generously shared her time, her assistance, and even her candy with them.

Echo 1982 on behalf of all the students of Conton High, this year and for previous years, thank you Mrs. Berteletti for the caring and kindness you have always shown the CHS students.

Field Hockey Team Does Us Proud

For three consecutive years the Canton High Field Hockey Team has dominated the Hockomock League. This season Canton again swept the Hockomock Championship with a record of 12-2-2. The field hockey team attributes much of its success to the outstanding coaching of Coach Paula Sanderson, who in her first year as coach at Canton High led the field hockey team to the school's first State Championship. The last two years has seen her team win consecutive Hockomock League Championships.

Also to be credited with this outstanding record are the devoted players who played an impressive game of field hockey. Some of the seniors are Chris Trayers, Goalie, Patty Heap, Heidi Arnao, Susan Murphy, Lisa McGilvray, Kelly Hale, Chris Dooley, and Vanessa Monahan. Their team efforts took them through a difficult season and through the suspensful game against Dennis-Yarmouth.

"It was a good year despite a shaky start . . . a lot of team work . . . a team that you can be proud of . . . champions in their own right . . ." — Coach Sanderson

For the fourth consecutive year the Canton girls' gymnastics team has completed an undefeated season and once again captured the Hockomock League Title. Their reign has increased to 64 straight wins without a loss.

The team shows depth in all four events; floor, vault, beam, and bars, and indicates great promise for the next season. The dual meet against Scituate was once again the high point of the season. Scituate is the strongest team that Canton faces, and each year Canton rises to the occasion. Canton scored a record-breaking total of 125.5 including a new all-around record set by Nancy McCarrick.

Canton was able to establish qualifying scores for the south sectionals (States), finished fourth in the States, and looks forward to the continuation of their success in future seasons.

The Canton High Math Team completed a record season this past year, capturing the league titles in both the Greater Boston Math League and the Massachusetts Math League, as well as the State and New England Championships. In addition, the team left its mark in math league history by scoring a perfect 180 points in the Massachusetts Math League — the first team ever to do so. Through the team performance in the M.A.A. Competition, an exam given across the country, the team was ranked *sixth* of all teams in the United States and several other countries. Once again, the math team has the greatest number of finalists in the State Olympiad.

This year's 15 finalists and 8 merit winners is the largest number from one school in the history of the competition. - The students on the math team, as well as their advisor, Martin Badoian are to be commended for their achievements.

DRAMA

THE MIRACLE WORKER

THE STORY OF HELEN KELLER

Friday, December 18 and Saturday, December 19, 1981, the Canton High School Drama Club presented "*The Miracle Worker*" by William Gibson. After working very hard to raise the necessary money for the fall production, and after a month's delay, club members did a superb job in producing the emotional play.

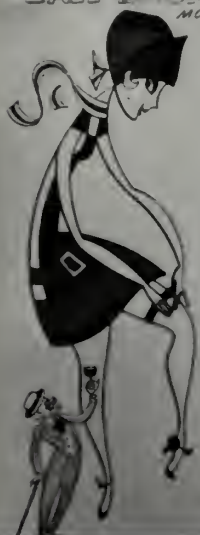

Frances O'Connor portrayed Annie Sullivan, Merriam Sarcia played Helen, Collette Corrigan and James Fitzpatrick played Helen's parents. Other cast members were William Quinn, Kim Ryan, Elliott Dunn, David Vivona, Susan Henning, Marcy Friedman, Kim Croning, Jeff Kepnes, Kim Weiner, Mike Elkart.

Eileen McSherry led a hard-working crew who designed and built a highly creative set. Mr. George Farrell directed.

THE BOY FRIEND

Book Music
 and Lyrics by **SANDY WILSON**

Under the direction of Mr. Richard Rousseau, the roaring twenties came alive for four performances in March when the Drama Club presented the hit musical comedy *THE BOY FRIEND*.

The entire performance was a complete delight. Who will ever forget "Won't You Charleston with Me," "The Riviera" and "Sur La Plage."

Over two hundred students participated in this classic of the musical theatre.

In 1982, the French, German, and Spanish Clubs continued to provide the students of Canton High with enlightening, cultural experiences.

1982 marks the tenth highly successful exchange with the lycee of LaBaule, France and the fourth annual exchange with St. Georg Gymnasium in Bocholt, West Germany. With the help of the language clubs, the students of Canton High have become hosts to French and German students.

Both exchanges allow students to explore distant areas of the world, but more importantly, by increasing the understanding among students of different cultures, the exchanges have strengthened bonds of friendship that continue to grow with each voyage.

Spirited, active, athletic, academic, friendly, loving, attractive, original, talented, charismatic, and pensive. These are just some of the ways you could describe the Class of 1982. We stand apart from any other class that has graduated from Canton High School. Our youth, our intellect, and our vigor have set forth a new example for those who are to follow.

To capture this final year of our tenure at Canton High School was the intent of the staff of ECHO '82. ECHO '82 is designed to enhance the character of the person, to express us as we are, and to record us as we were.

Our high school years are over and someday the early 1980's will be a long time ago. All those who worked to make the yearbook the greatest piece of memorabilia for our high school years hope that when you pull the yearbook from your bookcase years from now, it will rekindle your thoughts of old friends and brighten the glow in your heart for the love you had for those friends and the years you spent at Canton High School.

A special thanks to Mrs. Devine for the time and effort she gave to make ECHO '82 the best yearbook ever. She has been our "guiding light" and so, with much gratitude, we'd like to say, "THANK YOU MRS. DEVINE!"

CONGRATULATIONS
Class of 1982

Now that you have completed your high school education, unlimited possibilities for interesting careers await you.

With your high school diploma, you can afford to be selective in your choices of a career.

We would be pleased to discuss with you at any time opportunities available, both in our office and distribution center, as well as retailing in the hundreds of shoe departments we operate coast to coast.

Whatever your career decision, we extend to you our best wishes for your success.

MORSE SHOE

555 Turnpike Street
Canton, Massachusetts

No matter what kind of life you lead, you'll lead it better at the 57.

Whether you're looking for an unforgettable meal, auspiciously complemented by a superb wine. Or your favorite cocktail mixed to perfection in our contemporary piano bar. Or simply a good night's rest in one of our spacious hotel rooms, complete with color TV.

You'll find it at the 57. Because, as anyone who's been there will readily

attest, the 57 is more than a place where you can go to bring your day to a proper conclusion.

The truth is, life begins at 57.
